21.5”FULL HD LEDWITH SPEAKERS
LED215W2RS

The V7 22” Class (21.5” vis) Full HD LED Monitor provides superior image quality with vivid colors and lifelike images. Our LED backlight technology saves you up to 40% energy and yields blacker blacks, pure white and more clearly defined grays for a vivid picture making it the perfect choice for home or office. Get deeper blacks, brighter whites and subtle colors with a 1920x1080 Full HD resolution, 16:09 aspect ratio, 1000:1 contrast ratio, 250 cd/m2 brightness, and many customizing settings to fit your needs. Reduce blur with a 5 ms On/Off response time. The LED215W2RS-8N reduces clutter and provides more desk space while sitting in a black glossy bezel weighing 5.9 pounds and measuring only 7.5 inches deep with the stand. The widescreen monitor is easily wall mountable and provides a tremendous value when looking for an LED widescreen monitor. With both a VGA and DVI-D output you are sure to enjoy the highest resolution possible.
